

Spring activities ZIMEYSA

In May and June, the Centrale Mobilité will offer activities that will enable employees to test different active modes of transport. The campaign wants to raise awareness on the usefulness and healthiness of those modes.

Bicycle Repair Workshop

For simple repairs or light maintenance of bicycles and e-bikes.

During the intervention, new parts will be billed directly to the owner, following approval.

 **On demand, requires company approval.**

Included in the bicycle trips are the equipment, a lunch, and a bike. Walking and bicycle tours are limited to 12 participants. In case of bad weather, the activity will be moved to another day.
