ZIMEYSA SHUTTLES: A COMFORTABLE AND COST-SAVING ALTERNATIVE

Revolutionize the way you commute with self-managed shuttles: less tiresome, substantially cost saving, and a guaranteed parking space upon arrival!

Thousands of daily trips will be positively impacted with the inauguration of the Léman Express. But some regions will unfortunately remain outside this perimeter.

This is the reason why the Centrale Mobilité is helping employees organize **new self-managed shuttles** from specific regions to the Zimeysa.

Each shuttle has 9 seats and is driven by one of the team members.

The origin and destination, as well as the schedules are commonly defined by the passengers and driver.

Here are some proposed itineraries (price/employee/month):

- **Gex:** CHF 180.-/month
- **Divonne:** CHF 185.-/month
- **Annecy:** CHF 240.-/month

These prices include everything: maintenance, repairs, vehicle insurance, toll fees, and gasoline. You will not need to worry about anything once your subscription has been validated!

To show your interest or signup, please fill the form at the back to this pamphlet or do it online at www.zimeysa.ch/navettes

Once 7 employees are interested by an itinerary, a shuttle itinerary can be created.

Any question can be addressed to the Centrale Mobilité:

 From Monday through Friday, between 7:00 AM and 7:00 PM

 (+41) 800 25 26 27
